Spend a Term in Boarding

Day students who join boarding are assigned to one of our Boarding Families that meets regularly. Enjoy access to your own room, relax in our newly renovated boarding lounge and work out in one of three on-site exercise rooms available only to boarders. Benefit from evening study hall, delicious meals, endless snacks, regular health & wellness programming and weekend outings. And just in case you don't know how, we'll even teach you the basics of doing your own laundry!
